NOTICE

It is to be notified to all the final year students that TPO Cell is organizing Soft Skill Classes (two classes a week) for Department of Commerce & Management, Arts, Science, Computer Science and Law from February 7th, 2025 at 10:30-11:30 in the College Auditorium. Soft Skills classes are conducted to build better relationships and understanding at workplace which helps one to be more effective, productive, adaptable, enhance critical thinking, time management, creativity and build in work ethics.

Developing soft skills can help one to stay ahead of the curve in a constantly evolving business environment.

All the interested students can participate in these classes.

Please register on or before February 6th, 2025 with the HOD of your respective department.
